If upgrading from a previous License agreement in an AutoCAD format, there will be no initial data charge, only the per year price of the Quarterly Updates for the desired portion(s) of the Map/Data Options.				

Minimum Order (new license) = \$500

All prices include delivery on CD (and setup when in local vicinity).

Digital Data is delivered in ESRI Geodatabase or Shapefile format. The Custom Area pricing applies to all partial county orders.

Update Prices are in addition to the purchase price and will be done in Jan, Apr, Jul and Oct. Listed prices are for Whole County purchasers. Updates for Custom Areas can be purchased at the following prices: Areas larger than 5,000 parcels, the Whole County price applies, Areas less than 5,000 parcels, the Update Prices will be ½ of the Whole County price.

All products are subject to the Payette County GIS Data Licensing Agreement.
